Desktop View and Mobile Profile Page for Student and Teacher

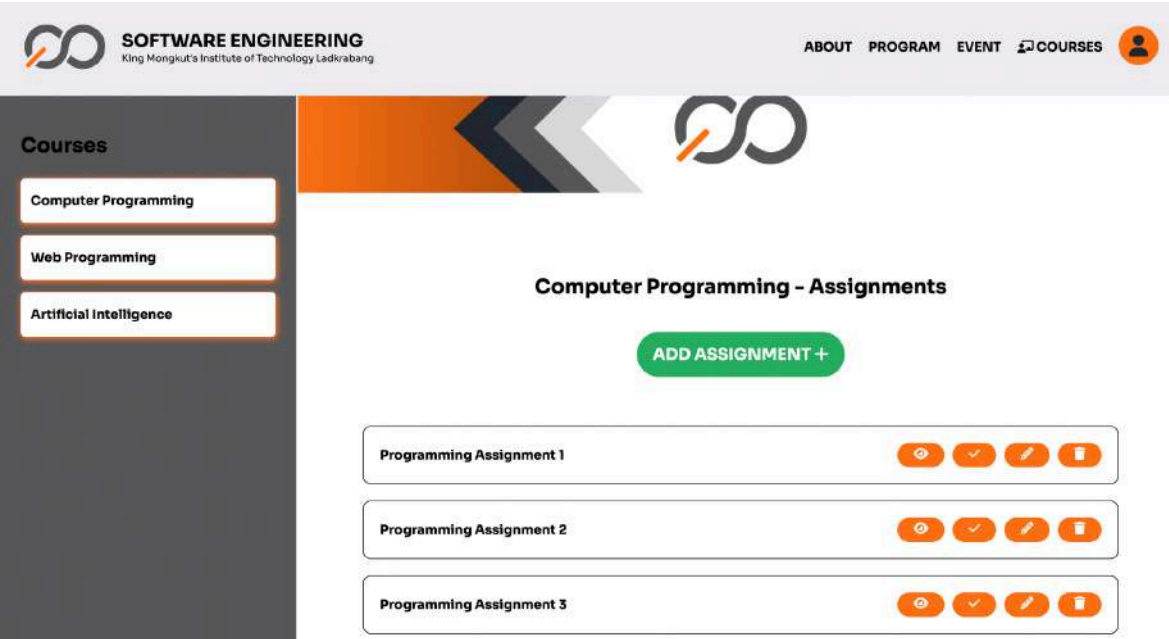

Log in Page

The login page features a light gray background. At the top center is a logo consisting of two interlocking circles, one gray and one orange. Below the logo, the text "Please Log In" is displayed in a bold, black font. Underneath this text are two input fields: the first contains the text "1234" and the second contains two asterisks "**". Below the input fields is a small black house icon and an orange button with the word "Login" in white text.

Lecturer View for Courses

The interface shows a dashboard for a lecturer. At the top, there is a header bar with the "SOFTWARE ENGINEERING" logo and name on the left, and navigation links "ABOUT", "PROGRAM", "EVENT", "COURSES", and a user profile icon on the right. Below the header, a sidebar on the left lists "Courses" with three options: "Computer Programming", "Web Programming", and "Artificial Intelligence". The main content area has a large orange and gray graphic on the left and a title "Computer Programming - Assignments" in the center. Below the title is a green button labeled "ADD ASSIGNMENT +". At the bottom, there is a table with three rows, each representing a programming assignment. Each row has a title and a set of four orange icons: a play button, a checkmark, a pencil, and a trash can.

Assignment Title	Icons
Programming Assignment 1	Play, Checkmark, Pencil, Trash
Programming Assignment 2	Play, Checkmark, Pencil, Trash
Programming Assignment 3	Play, Checkmark, Pencil, Trash

The lecturer can edit the announcement and assignment

The screenshot shows the 'Edit Announcement' form in the Software Engineering system. The header includes the logo and name 'SOFTWARE ENGINEERING King Mongkut's Institute of Technology Ladkrabang'. A sidebar on the left lists 'Courses' with options for 'Computer Programming', 'Web Programming', and 'Artificial Intelligence'. The main form area has an orange background and contains the following fields:

- ANNOUNCEMENT NAME:** A text input field containing 'Announcement 1'.
- ATTACHMENT FILES:** A section with a 'CHOOSE FILES' button.
- POST DATE (yyyy-mm-dd):** A date input field containing '2024-11-20'.
- DESCRIPTION:** A large text area for the announcement content.

The student can see the announcement and assignment

The screenshot shows the student view of the announcement. The header and sidebar are identical to the lecturer view. The main content area displays the announcement details:

- Computer Programming Seminar** (Title)
- Date: 2024-11-20** (Date)
- Description:** 'I would like to invite all for Seminar Seminar Information include in attached file'.
- OTHER DOCUMENTS INCLUDED:** A section showing a list of attached files.

The attached files section displays a file named 'lecun.jpeg' with icons for viewing and downloading.
