

## Screenshots

### Desktop View and Mobile View Index Page and Courses Page

The image displays two side-by-side screenshots of a website for "Software Engineering" at King Mongkut's Institute of Technology Ladkrabang.

**Desktop View (Left):**

- Header:** SOFTWARE ENGINEERING, King Mongkut's Institute of Technology Ladkrabang, with navigation links: ABOUT, PROGRAM, EVENT, COURSES, and a user icon.
- Main Content:** A large image of a modern university campus at night. Overlaid text reads "International Program B.Eng. Software Engineering" and a "SEE OUR PROGRAM" button.
- Side Panel:** A sidebar titled "Courses" with three categories: Computer Programming (selected), Web Programming, and Artificial Intelligence.
- Assignment List:** A table showing two assignments:

Assignment	Status	Due Date
Programming Assignment 1	Not Summited	2025-02-01
Programming Assignment 2	Not Summited	2025-02-01

**Mobile View (Right):**

- Header:** SOFTWARE ENGINEERING, King Mongkut's Institute of Technology Ladkrabang, with a menu icon and user icon.
- Main Content:** The same "International Program B.Eng. Software Engineering" section as the desktop view.
- Text Block:** "What is Software Engineering?" followed by a detailed description of the field.

### Desktop View and Mobile Profile Page for Student and Teacher

The image displays two side-by-side screenshots of a "Profiles" page for a user named "Thura Aung".

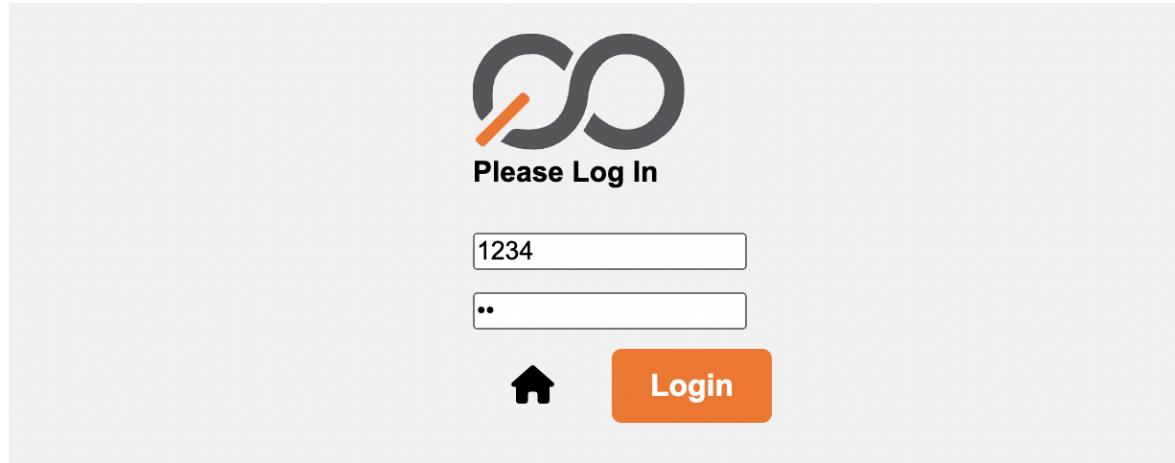

**Desktop View (Left):**

- Header:** SOFTWARE ENGINEERING, King Mongkut's Institute of Technology Ladkrabang, with navigation links: ABOUT, PROGRAM, EVENT, COURSES, and a user icon.
- Section:** Profiles
- User Info:** NAME: Thura Aung, ID: 606, with a file upload input labeled "Choose File" and "No file chosen".
- Course Table:** A table showing course details:

Course ID	Course Name	Credits	Score	Grade
101	Computer Programming	4	80	A
201	Web Programming	4	87	A
301	Artificial Intelligence	3	80	A
Current GPA:				4.0
- Buttons:** Save Changes

**Mobile View (Right):** This view is identical to the desktop version, showing the same profile information and course details.

## Log in Page

## Lecturer View for Courses

A screenshot of a lecturer's view for courses. The top navigation bar includes the institution's logo, the text "SOFTWARE ENGINEERING", and "King Mongkut's Institute of Technology Ladkrabang". It also features links for "ABOUT", "PROGRAM", "EVENT", "COURSES", and a user profile icon. On the left, a sidebar titled "Courses" lists "Computer Programming", "Web Programming", and "Artificial Intelligence". The main content area shows a large orange arrow pointing left, followed by the "Software Engineering" logo. Below this, the text "Computer Programming - Assignments" is centered. A green "ADD ASSIGNMENT +" button is located below the assignment list. Three assignments are listed: "Programming Assignment 1", "Programming Assignment 2", and "Programming Assignment 3", each with four small orange circular icons for actions.

The lecturer can edit the announcement and assignment

The screenshot shows a lecturer's interface for managing announcements. On the left, a sidebar titled 'Courses' lists 'Computer Programming', 'Web Programming', and 'Artificial Intelligence'. The main area is titled 'Edit Announcement' and contains fields for 'ANNOUNCEMENT NAME' (set to 'Announcement 1'), 'ATTACHMENT FILES' (with a 'CHOOSE FILES' button), 'POST DATE(yyyy-mm-dd)' (set to '2024-11-20'), and a large 'DESCRIPTION' text area.

The student can see the announcement and assignment

The screenshot shows a student's interface displaying an announcement. The sidebar on the left shows the same course list as the lecturer's view. The main content area features a box for 'Computer Programming Seminar' with the date 'Date: 2024-11-20' in red. Inside the box, there is a message: 'I would like to invite all for Seminar Seminar Information include in attached file'. Below this is a section titled 'OTHER DOCUMENTS INCLUDED' containing a file named 'lecun.jpeg' with download and other action buttons.
